

Clarissa Volume Four

By Samuel Richardson

Volume 4 continues the story in epistolary form of the despoliation of Clarissa, as all the forces of society and the personal nefariousness of the devilish rake Lovelace conspire to overcome her virtue. One of the earliest and certainly the longest novel in the English language, with a wide-ranging influence not only on the English novel, but also on nineteenth century European literature at large, it is gripping, twisted and a magnificent dramatic soap opera.
